This form is being provided for your pledge for the operation of PW at Presbytery, Synod, and Churchwide level. For those PW CHURCH prepare budgets in the summer, completed forms should be brought to the PW PEVA Fall Gatherings where they will be dedicated. If you are on January to December year, you should send your pledge forms to the PWPEVA Treasurer no later than November 1st. The PW PEVA Treasurer must inform the treasurers of Synod, and Churchwide how much has been pledged prior to their making their budgets in December. **Payments on this pledged amount will begin in January with the final payment due no later than June 30th.**

The pledge is based on the number of women in your church who are active members of Presbyterian Women. The **\$5.00 per member** of your PWC is the minimum you are asked to pledge. You are encouraged to pledge more. Additional pledged amounts will be used in our presbytery to continue to increase communication and to finance programs. A percentage of your pledge goes to the Churchwide Missions. The remainder is used for operating expenses in the synod and in our presbytery. This should be submitted in a separate check and clearly marked for PW PEVA.

****If you have questions, please contact the PW Treasurer****
